ANNOUNCEMENT

Waukesha, Wis., March 10, 1913.

Dear Sir: Our public sale to be held this year on April 2, 1 p. m., at the home farm, is a regular annual affair that in the past has witnessed the disposal each year of a strictly high class lot of Shorthorns. This year we invite you cordially to come and see what we have accomplished in the way of producing a better class of cattle with each succeeding year. We can assure you that the cows and heifers to be sold, and herein catalogued, are a strong lot from beginning to end, and that we do not make use of these annual sale occasions to put off on the public any undesirables, but, on the other hand, we have rigidly kept to the highest standard of animals we can spare from the herd in making the selections for these offerings. As to the bulls, we believe them to be a class entitled to very special mention in this announcement, for they suit us as a lot better than any previous offering. Please consider, if you will how these bulls are bred and the chances therefore that they are all that is claimed of them herein and by representatives of the live stock press who have inspected them.

We are pleased to get this catalogue in your hands and wish to express the hope that we will have the privilege of entertaining you at Anoka on sale day. We invite a critical examination of the cattle and trust you will plan to be here in time to go over the offering before the sale is called at 1 p. m. Service list sale day.

We will pay freight on carload purchase of ten head or more.

Yours truly,

ANOKA FARMS.

By F. W. HARDING, *President.*

WARRANTY—We believe every animal to be sold in this sale will prove a breeder under proper care but should any bull in this offering prove not a breeder after a reasonable trial period we will replace him to the buyers satisfaction or refund the purchase price, and further should any female not prove to be in calf to service given and on further trials fail to get with calf we will replace such animal with another of equal value as near as possible.

PEDIGREES—A certificate of registry in the American Shorthorn Herd Book will be furnished for every animal, with the exception of young calves sold with dam and there will be furnished for these a pedigree in the application form, ready for registry.

LEADER OF FASHION 300790, sire Whitehall Marshal 209776, dam Imported Shenstone Princess. His prize winning record is the best of any calf in 1908, having won three grand champions and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled; but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him altogether so that one of the most promising sires of recent years is lost to the breed.

GOLDEN CROWN was got by Golden Rule 98268, out of Mina Mason 3d by Imp. Free Mason 98039, a noted sire in Iowa and Minnesota. Imp. Mina Aberdeen by Gladstone 50801.

GAVESTON 112058, by Imp. Baron Lavender 72610, dam Imp. Gladiolus by Pride of the Isles. Gaveston was one of the very best bulls from Linwood.

CRUICKSHANK FASHION will suit the breeder and the showman and any further comment on the merit of this calf therefrom should be unnecessary. He is beautifully bred and topped out by show cattle on both sides.

BREEDER OF SIRE.

SULTAN MINE 320273, calved April 14, 1908, sire Whitehall Sultan 163573, dam Lady Zenda 4th, 8516 of the Mina family. Sultan Mine is well known wherever Shorthorns are known in America, having been a prominent winner ever since a calf and making his best record during 1912 winning Grand Championship with one exception at every place shown. Now in the herd of Carpenter & Carpenter, Baraboo, Wis.

WHITEHALL MARSHAL 269776, sired by Whitehall Sultan 163573, dam Missie 167th. was the champion Shorthorn bull of 1906, 1907, and he and his sire won all championship and first prizes shown for 1905. Whitehall Marshal's record as a show bull has rarely if ever been equaled. His get are some of the very best ever bred at Anoka or Elmendorf, and the only ones that have been shown have been prominent winners.

GLOSTER MINE has to his credit eight first and second prizes for 1912-1913. A calf built like he is, is almost certain to continue on right, especially with such breeding back of him. It is reasonably safe that this calf will be one of the greatest show bulls we will have in this country, if carried on.

FOND MEMORY 320270, full brother to Glenbrook Sultan, the sire of so many show cattle in the herd of Thos. Johnson & Son, Columbus, Ohio, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th, by Lavender Lad 119937. Fond Memory won first at the International Show at Chicago in 1909 as a junior calf. He has not been shown much since but won one grand champion in 1911. During the past year he has been used more extensively for service in the herd than any other sire in use, owing to the fact that his calves are about all that can be desired. ANOKA SULTAN 264212, by Whitehall Sultan 163573, dam Lady in Waiting has made a remarkable show-yard record up to this time, winning 24 first, champion, and grand champion ribbons in 1907 and 1908, and being placed second only twice. At the 1908 International he headed Mr. Hanna's first prize aged herd.

GLOSTER SULTAN combines the blood of the best bulls ever produced or used as sires at Anoka and Linwood and will be found on inspection to be what one should expect from such ancestry. He is a calf of extraordinary substance and smoothness.

SULTAN STAMP 334974, white, calved Nov 8, 1909, sire Whitehall Sultan 163573, dam Imp. Rachael's Daughter 96087 by Day-break 182751. Sultan Stamp is very promising. He has never been forced and the development which he has made the past few months is decidedly in the right direction. His dam Rachael's Daughter, a first prize International winner in the Shorthorn dual purpose class has proved one of the best we ever owned. Sultan Stamp won first in 1911 at Winnipeg, Brandon, Regina, Hamline, Milwaukee and Springfield. In 1912 he went through the circuit undefeated except at Chicago where he was second in his class, standing next to the Grand Champion of the show.

FOND MEMORY 320270, full brother to Glenbrook Sultan, the sire of so many show cattle in the herd of Thos. Johnson & Son, Columbus, Ohio, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th, by Lavender Lad 119937. Fond Memory won first at the International Show at Chicago in 1909 as a junior calf. He has not been shown much since but won one grand champion in 1911. During the past year he has been used more extensively for service in the herd than any other sire in use, owing to the fact that his calves are about all that can be desired.

CALEDON CHIEF 149623, bred by Arthur Johnson, Greenwood, Ontario; got by Indian Chief 98651, (one of the most noted sires in America; two of his sons won sweepstakes at Toronto, another won grand sweepstakes over all breeds at the World's Fair), dam Crimson Bud, by Eclipse 69464.

REFORMER 149629, got by Reporter 113482, out of Clementina, by Baron Lenton 68246.

SCOTCH LAIRD is blocky, straight and thick, of attractive quality. His dam regularly produces good ones. She is worthy of particular mention as a milker and weighed in her prime about 1,600 pounds.

LEADER OF FASHION 300790, sire Whitehall Marshall 209776, dam Imported Shenstone Princess. His prize winning record is the best of any calf in 1908, having won three grand champions and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled; but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him altogether so that one of the most promising sires of recent years is lost to the breed.

CRITERION 234587, by the show bull Young Fellow 121660; dam Lady Lorne by General Bobs 186242.

SPICY BARON 213038, was bred by W. S. Marr, Uppermill, Scotland, got by Spicy Robin 134607, out of Imp. Blythesome 15th by Sea King 125762.

FIELD LEADER is a show calf in form, very straight and smooth in conformation. Imp. Calceolaria is still producing show stuff, at twelve years of age. Her calves that have been sold average \$750 each.

WHITEHALL SULTAN 163573 is generally recognized as one of the best, if not the best, and most valuable Shorthorn of recent years. He has been a great winner in the show ring and his get are some of the very best Shorthorns to be found in any country. Whitehall Sultan was sired by Bapton Sultan and has for dam the beautiful cow Bapton Pearl, a champion of both Britain and U. S.

ACONITE BOY 128573, bred by Frank Bellows, got by Bonnie Scot 106590, out of Young Aconite, by Vice Royal 78233, Aconite of Silver Spring by 2d Earl of Aberdeen 51413, a straight Scotch bull bred by L. Palmer.

GODOY 115675 was twin to Godwin 115676, used with such good results in the herd of Geo. Allen. Godoy proved a good breeder in several herds in Central Missouri. These bulls were bred by Col. W. A. Harris and were got by Imp. Spartan Hero 77932, out of that remarkable cow Imp. Golden Thistle by Roan Gauntlet 45276.

SULTANS ACONITE 2D is a worthy daughter of her great sire Whitehall Sultan. She is well along in calf and should make a grand breeding cow for she is about the best daughter of the old bull. She was first at the American Royal as a calf and has been one of the best heifers shown the past two years.

WHITEHALL SULTAN 163573, bred by J. Deane Willis, Bapton Manor, Codford, Wiltshire, England, sire Bapton Sultan, dam Imp. Bapton Pearl, by Count Lavender. Bapton Pearl is remembered by those who saw her as one of the most perfect Shorthorn females ever seen in the English or American show yards, where she was a winner of many grand champion prizes and was sold by Mr. Willis at \$5,000.00 to come to this country. She was bred to Bapton Sultan, sold about the same time to go to South America. This mating produced Whitehall Sultan. The show yard record of this great sire is still well in the minds of breeders of Shorthorns and his achievements as a sire seem to mount to a higher standard and throughout a broader sphere with each succeeding year for it is generally conceded that the blood of no other bull in recent years has made as much improvement or made it possible to preserve high individual excellence when it was already there as the blood of Whitehall Sultan.

LAVENDER SULTANA 2D won several first, second and third prizes as a calf and is a well bred good one, well along in calf. She and Sultans Aconite 2d are the only daughters of Whitehall Sultan in the sale and the last we expect to offer for sale.

CRUICKSHANK'S VICTORIAS are among the best and most highly prized cattle of the present day. Sand ers' History says: "The first of this Mason-bred tribe to enter the Cruickshank herd was Victoria 19th by Lord John 11731. The first produce from her were a pair of twins, Victoria 29th and 30th. The latter left no female stock. The Sittytton Victorias imported to America have proved among the most valuable Scotch bred Shorthorns that ever crossed the Atlantic, among which was the noted Baron Victor 45944, that did such excellent service in the herd of Col. Harris."

ROYAL SULTAN.—Got by Village Sultan 260235, a son of the noted Whitehall Sultan 163573 (one of the greatest show bulls of recent years), out of Anna Lind by Imp. Blackwatch 153334; Beaver Creek Mary Ann by Imp. Fancy's Pride 182014; Imp. Mary Anne of Lancaster 11th by Count St. Clair 166493. See full pedigree Lot 1.

IMP FANCY'S PRIDE.—A great sire of prize winners; got by Goldie's Pride 162169 (one of the best calves sold in Mr. Marr's draft sale of 1899), out of Imp. Fancy by Beau Ideal 65685.

VICTORIA 3D is a promising candidate as a two year old. She is perfection in character, very blocky and is fleshing properly. You can depend on it she is one of best bred and best individual heifers to be seen in any country.

SUPERBUS 224710, bred by Ardmore Stock Co., is one of the stock bulls now in use at Meadow Lawn, and is considered by good judges to be one of the great bulls of the breed, both as a show bull and as a producer. He is very low set, with well laid shoulders, well sprung ribs, with almost faultless quarters, extra well filled and straight hind flank with true top and bottom lines; is a big heavily fleshed red, with splendid style, carriage and finish; his breeding, as his pedigree shows, is of the very best.

BOLD ARCHER 234833, bred by Sir John Gilmour, Montrave; sire Brave Archer 70018, dam Calceolaria 2d by Hildebrand 57462; great dam Calceolaria by Montgomery of Chiny 56260. This bull was third at the Highland show at Sterling, 1900, and first at the Royal Northern Agricultural show at Aberdeen, 1900, and took the Shorthorn Society's £10 prize.

RINGLEADER 180008, belongs to the Broadhooks family; sire Lord Violet 56103, a Cruickshank Violet or Village Rose; out of Miss Dauntless 2d by Bannockburn 49035.

SNOW QUEEN is a well known show heifer that contains much promise for the future, she is from the same dam as Snowflake, sire of Ringmaster also Snowbird that sold for \$1,700. This is the Cruickshank Venus family.

LEADER OF FASHION 300790, sire Whitehall Marshall 209776, dam Imported Shenstone Princess. His prize winning record is the best of any calf in 1908, having won three grand champions and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled; but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him altogether so that one of the most promising sires of recent years is lost to the breed.

ABBOTSFORD 126696, roan, bred by H. Smith, was got by Blake 15177 out of the celebrated Cruickshank cow Village Blossom by Ben Wyvis 30528. Abbotsford won first prize and sweepstakes at the Western Fair, at London, in 1895, first at Toronto and first and sweepstakes at London in 1896, and first for bull with four of his got at both London and Toronto in 1899. He was the sire of Bruce, the champion animal in competition with the American Hereford champion, Jack, at the Provincial Fat Stock Show in 1897, and of Free Trade, the champion of the fat stock shows in 1899.

VILLAGE ROSE 3D is grandly bred and has for sire and grandsire two great bulls. This heifer will suit from any standpoint. She was a member of our young herd that won first at six shows the past season.

FOND MEMORY 320270, full brother to Glenbrook Sultan, the sire of so many show cattle in the herd of Thos. Johnson & Son, Columbus, Ohio, sire Whitehall Sultan 163573, dam Victoria of Hill Farm 8th, by Lavender Lad 119937. Fond Memory won first at the International Show at Chicago in 1909 as a junior calf. He has not been shown much since but won one grand champion in 1911. During the past year he has been used more extensively for service in the herd than any other sire in use, owing to the fact that his calves are about all that can be desired.

ROVER OF SANQUHAR 206047, bred by A. W. & A. M. Law; sired by the prize winner, Lord James 67361, winning first and Shorthorn Society's prize at Aberdeen; first at Keith and Elgin in 1895, and fourth at the Highland at Glasgow in 1897, then sold for a long price to go to South America; dam Zoe 2d by the justly celebrated Duthie bred, Star of Morning 58189, also the sire of Pride of Morning, the Highland Society's breed champion at Aberdeen, of Buttermilk, first prize two-year old heifer at same show; Butterscotch, dam of Cornerstone, Highland Society's breed champion and winner of Prince of Wales medals at Edinburgh, 1899, and numerous others.

GOLDIE, of the Marr Goldie family, is as good in form and quality as she is pedigree. Her sire, Fond Memory, is proving what one would expect of a son of Whitehall Sultan and Victoria of Hill Farm 8th.

He was by Baron Cruickshank 3d 117968, out of that greatest of all cows, Princess Alice by Field Marshal. Sapho was junior heifer calf in the herd of E. B. LEADER OF FASHION 300790, sire Whitehall Marshal 209776, dam Imported Shenstone Princess. His prize winning record is the best of any calf in 1908, having won three grand champions and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled; but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him altogether so that one of the most promising sires of recent years is lost to the breed.

BORDER CHIEF 205016, bred by J. & W. Russell, Ontario, sire Olive Branch 205022, dam Queen Mary by Stanley 113853; Imp. Roan Princess by Star of the West 125295.

NONPARIEL FASHION has quality, conformation and breeding to recommend her. She will make a valuable cow. Her dam is a good milker.

FAITHFUL ARCHER was sired by Ceremonious Archer, an International Champion

IMP. FIRST-IN-THE-RING needs no comment to the public. He was a great sire, and has done much for the breed.

MERRY MASON 150829, bred by that grand old breeder and lover of the best cattle, W. S. Marr, and sired by one of the greatest bulls in Great Britain, William of Orange.

TOUCHSTONE 149631, bred by A. Cruickshank, sired by Gondolier 98287, and was used with great success in the herd of J. B. Manson. Gondolier, out of Sunflower, by Roan Gauntlet. What better breeding could you write? This string has done as much for the improvement of the Shorthorns, I suppose, as any we have had.

BEAUTY OF KILBLEAN is attractive from any standpoint. She is blocky and of good build. Her dam is one of the best.

LEADER OF FASHION 300790, sire Whitehall Marshal 209776, dam Imported Shenstone Princess. His prize-winning record is the best of any calf in 1908, having won three grand champions and first in his class at seven out of eight shows. Through an accident a few months after making this record he was badly crippled, but has produced some of the best calves ever bred at Anoka. His lameness finally disabled him altogether, so that one of the most promising sires of recent years is lost to the breed.

RED LADY, by Cornelius 76409, is a high class breeding cow and few better have been imported. She is the dam of Scotch Sultan, now at head of J. A. Kilgours herd.

RED LADY 7TH is from same dam as Scotch Sultan that proved to be a sire of extra good ones in Mr. Kilgour's herd, and now in service in the Illinois College herd. It will be noticed her dam in an imported cow. She is one of the best of individuals.

Whitehall Marshall's record as a show bull has rarely, if ever, been equaled. His get are some of the very best ever bred at Anoka.

CEREMONIOUS ARCHER 171479, roan of 1901 bred by Messrs. George Harding & Son, Waukesha, Wis. A well known champion, and senior stock bull at Sinnissippi Farm, whose record as prizewinner and sire of prize-winning material is second to none. His sire, Imp. Best of Archers 141832, of world-wide fame, is a member of the renowned champion Choice Goods; dam, Imp. Lady-in-Waiting by the prizewinner Master of Ceremonies 136633. It is interesting to note several of the noted prizewinners of the Birmingham exposition (Scotland), March 1907, were great-granddaughters of Master of Ceremonies.

STURDY PRINCE 262991, got by McDuthie's Prince of Archers 71240, out of Sally 5th by Seneca 63346.

PREMIER'S BRIDESMAID lacks a little flesh, but the combination of Choice Goods and Ceremonious Archer breeding on a good imported foundation is sure to prove valuable and worth more than she will bring.

WHITE SULTAN 296336, sire Whitehall Sultan 163573, dam Village Maid 2d by Abbotsford. Sold at auction at \$2,750, is proving a good sire according to results at Brogden Farms, and is now in service in herd of C. A. Saunders, Manilla, Iowa.

Of GOLDEN LORD, W. A. Harris says: "This bull has been intended to head the Linwood herd. He belongs to the strikingly handsome Golden Drop section of the herd and has for dam one of the most valuable cows ever on the farm. The descendants of this grand specimen of the breed—Norton's Golden Drop, the matron of the family at Linwood—are ranked fully up to the costliest imported animals in the herd. The fame of the tribes as prize-winners on both sides of the water and the long prices brought by various fine show animals belonging to it give the Golden Drops a position absolutely second to none, and in this herd they are quite as noticeable for their finish and milking properties as for their wealth of flesh." His sire, Lord Mayor 112727, was bred by W. A. Harris; his dam, Norton's Golden Drop by Underly Wild Eyes 31312; Imp. Golden Drop 4th by Sir Christopher (22895).

SULTANS ALCATRAZ is well made, but lacks flesh. She comes of good individuals on both sides.
